4kW 220V to 380V inverter

Overview

This Frequency Inverter converts single-phase 220V input into three-phase 380V output with a powerful 4KW (5HP) capacity. Featuring a high-quality copper coil and multi-grid cooling design, it ensures durability and efficient heat dissipation.

This Frequency Inverter converts single-phase 220V input into three-phase 380V output with a powerful 4KW (5HP) capacity. Featuring a high-quality copper coil and multi-grid cooling design, it ensures durability and efficient heat dissipation.

Would you like to tell us about a lower price?

1.This Serial model has 4-20ma or 0-10V analog Input Functio. 2.Support Pump 220V 3-Phases Motor, can connect pressure sensor for constant pressure control. Set P0-15=9 Carrier Frequency set High level parameter. Help others learn more about this.

1.Output Power:4KW/5.5KW 2.Rated Frequency :50hz/60hz 3.Output Frequency Range:0~400Hz 4.Input Voltage Range:1 phase 220V±15% 5.Output Voltage Range:3 phase 380V±15% 6.Control way: Open loop vector control (SVC) V/F control 7.Main function: Control and adjust the speed of the ac motor NFLIXIN.

Transform your motor performance with our 4KW Frequency Converter! Boost efficiency and control—shop now for seamless 380V output! Only logged in customers who have purchased this product may leave a review. Transform your motor performance with our 4KW Frequency Converter! Boost efficiency and.

⚙ Elevate your motor control game with precision and power! This Frequency Inverter converts single-phase 220V input into three-phase 380V output with a powerful 4KW (5HP) capacity. Featuring a high-quality copper coil and multi-grid cooling design, it ensures durability and efficient heat.

Jual Inverter 220v to 380v 4KW 5HP Input 1 Phase 220V - Output 3 Phase 380V

- Kab. Gresik - SAHABAT AUTOMATION | Tokopedia Kini telah hadir tipe baru ZQ280. - Intelligent parameter setting. - Low frequency high torque. - Multi-segment run. - Overload protection. - Overheat protection. -.

Alibaba.com: DFL5800-220-4 220V to 380V Frequency Inverter, Output Current: 11-20A, Rated Power: 4kW-37kW : Connect with reliable suppliers for motor speed control solutions. Customized logo □Min.Order: 500 pieces□
Motor Speed Control: Converts 220V single-phase power to 380V three-phase power.
