This interactive tool lets you customize size, layout, doors, windows, and finishes—while instantly visualizing your design in 3D and seeing real-time pricing updates. Whether you're planning a plant haven or a personal retreat, our builder makes it easy to bring your vision to life.

Solar Innovations® designs and manufactures custom greenhouses to each customer's exacting specifications, no matter the size or purpose. From the occasional gardener who wants to dabble with plants in a hobby greenhouse, to a large-scale educational facility with multiple zones, computerized.

We specialize in designing and constructing custom greenhouses that not only elevate the aesthetics of your space but also enhance your gardening experience. Our commitment to quality and your satisfaction drives us to deliver the best in greenhouse innovation and functionality. Why Choose Our.

Our passive solar greenhouse, the Glacier, offers a low-energy way to give your plants the perfect environment they need to grow, no matter where you live. Passive solar greenhouses are designed for energy efficiency in winter by concentrating glazing and windows on the south side of the greenhouse.

Greenhouses by NWGP are build-to-order and are truly custom made to fit your space. Our greenhouses are built by our team in Oklahoma where we are headquartered! We ship throughout the United States including Alaska and Canada. WHERE WILL YOU GROW?

Unsure which greenhouse is perfect for your.

From large commercial installations to backyard DIY greenhouses, Solexx Greenhouse Kits and Greenhouse Covering help you build a durable, professional-quality structure with ease. Visit for commercial greenhouse

projects for a thriving, efficient greenhouse business. Choose from.

Add value and beauty to your home with a freestanding or attached greenhouse designed to last a LIFETIME. For over 75 years, Geneva has set the standard for performance, energy efficiency, and affordability. With its heavy-duty aluminum frame and safety glass, it's the best value for your money.
