Where can I buy a container home in Australia?

At Modular Sales, we connect you with a range of container homes for sale from Australian builders and private sellers. Whether you're looking for a newly built container home, or a second hand container home for sale, we make the process simple. Browse listings across Australia and take the next step toward owning your ideal container home.

Why should you choose a shipping container home in Australia?

Perfect for high-traffic areas, the flooring in your shipping container home is designed to withstand daily use while maintaining its beauty and functionality. The bathrooms of our container homes in Australia include a sleek vanity unit with built-in storage, a chrome mixer tap, and marble-look wall panels for a clean and elegant look.

What is a container home?

Perfectly designed for modern compact homes, this interior balances practicality and comfort, offering a functional and secure space for everyday living in your container homes. Our container homes are built with an MGO panel floor for enhanced strength and stability, topped with a 2mm timber-look vinyl sheet.

Are container homes eco-friendly?

Whether you're downsizing, building a granny flat, or creating a holiday retreat, our container homes in Australia are the modern, eco-friendly solution you've been waiting for. We specialise in converting new and used shipping containers into fully livable spaces.
