

Kongres Container

Austria foldable solar panel manufacturer

Overview

Solarcont has developed a portable, containerized PV system featuring 240 solar modules on a folding system for easy removal and storage. Solarcont, an Austrian startup, has unveiled Solarcontainer, a portable PV generator that can function as a mobile solar plant independent of the.

Solarcont has developed a portable, containerized PV system featuring 240 solar modules on a folding system for easy removal and storage. Solarcont, an Austrian startup, has unveiled Solarcontainer, a portable PV generator that can function as a mobile solar plant independent of the.

Solarfold allows you to generate electricity where it's needed, and where it pays to do so. The innovative and mobile solar container contains 196 PV modules with a maximum nominal power rating of 130kWp, and can be extended with suitable energy storage systems. The lightweight.

Sun2Fold bietet die ideale Lösung für flexible und autarke Stromerzeugung aus grüner Energie. Nach einer unkomplizierten Montage lässt sich das System fast überall einsetzen. Perfekt für den temporären Einsatz auf bisher ungenutzten Flächen ermöglicht Sun2Fold eine nachhaltige Energieversorgung.

That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar energy while at the same time being compact in design, easy to transport and quick to set up. This system is realized through the unique combination of innovative and advanced container.

Would you like to generate clean electricity flexibly and efficiently and earn money at the same time?

With Solarfold, you produce energy where it is needed and where it pays off. The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp.

The Austrian energy company SolarCont has developed a mobile solar

container that stores foldable photovoltaic panels for portable green energy anywhere. The foldable photovoltaic panels are tucked inside a container frame with corresponding dimensions, and once they are moved and set in place.
