

## Kongres Container

# Bhutan cell lithium battery module

**Higer conversion efficiency**

CAN/RS485/WIFI/4G  
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white lithium battery modules on wheels, arranged in a row. The background shows a house and a snowy mountain range. The text highlights key features like high conversion efficiency, communication capabilities, and BMS customization. The capacity of each stack is indicated by a green circle: 20 Kwh, 30 Kwh, and 50 Kwh. Two green boxes at the bottom provide additional details about the shell and BMS support.
