Danish Energy Storage Plant Project

Overview

Danish renewable energy developer Copenhagen Energy has partnered with a local electricity and fibre network distributor Thy-Mors Energi to set up a 100MW PV and battery energy storage system (BESS) project in Ballerum, about 370km from Copenhagen.

Danish renewable energy developer Copenhagen Energy has partnered with a local electricity and fibre network distributor Thy-Mors Energi to set up a 100MW PV and battery energy storage system (BESS) project in Ballerum, about 370km from Copenhagen.

Developer Better Energy is deploying its first battery energy storage system (BESS), a 10MW/12MWh system, at one of its solar PV plants in Denmark. The company is installing the 1.2-hour duration BESS project at its Hoby solar park on the island of Lolland, southern Denmark, which came online in.
