Danish professional customized lithium battery pack

Overview

Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

What is a lithium battery pack design?

The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements. This includes intrinsically safe designs for harsh environments, custom battery chargers, custom molded enclosures up to IP68 for extreme protection, and complex battery management systems to ensure safety and longevity.

What types of lithium batteries are available?

Choose from our comprehensive range of custom lithium battery technologies: ultra-thin 7.4V LiPo cells for wearables, high-capacity 48V 18650 packs for power tools, or robust 72V LiFePO4 systems for electric vehicles. Each battery type is engineered for specific applications with optimized performance characteristics.

Why should you choose CMB for a custom lithium-ion battery pack?

Whether for small or large orders, we offer competitive pricing and on-time delivery. As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging.

What is a custom battery pack assembly service?

CMB's custom battery pack assembly services involve evaluating battery

chemistries, casing design, and management systems based on customer needs. The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements.

Are all lithium batteries certified?

All lithium batteries have been certified, including KC, ROHS, CE, UL1642, UN38.3, BSMI, etc. Dimensions are required to assist with your request. Please ensure they are accurate above. All our lithium batteries can be customized with battery packs. Contact us with requirements. The technical team creates tailored designs.
