Energy storage liquid cooling manufacturer

Overview

Who manufactures Alphacool liquid cooling systems?

Alphacool is a German manufacturer that diversified into producing liquid cooling systems for PCs. In the 90's, when liquid cooling became a trend, many companies were founded focused on the design and supply of PC-specific liquid cooling systems. One of these companies was Alphacool.

What is a liquid-cooled Bess system?

The liquid-cooled BESS—PKENERGY next-generation commercial energy storage system in collaboration with CATL—features an advanced liquid cooling system for heat dissipation.

What is a Bess 365kwh energy storage system?

BESS-365kWh Liquid-Cooled Energy Storage System The BESS-365kWh provides a strong balance between capacity and space-saving design, making it a cost-effective solution for commercial and medium-scale industrial use. Equipped with high-efficiency cooling and energy-dense LiFePO₄ cells, it offers high reliability and reduced maintenance.
