Hungary energy-saving energy storage equipment solution

Overview

Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its commitment to a sustainable energy future. Who will build Hungary's largest energy storage facility in Szolnok?

Forest Vill Ltd. will build Hungary's largest energy storage facility in Szolnok on behalf of MAVIR Ltd. The Budaörs-based company will design and fully implement a 20 megawatt energy storage facility with a capacity of 60 megawatt-hours as part of the HUF 8.5 billion project.

Which country has the largest battery storage facility in Central Europe?

The country's largest such facility is currently located in Százhalombatta with a capacity of 7,68 MW. The new storage facility, for which Huawei will provide the equipment, will be eight times larger and will be one of the largest battery energy storage facilities in Central Europe.

When did forest-vill start construction of Hungary's largest electricity storage system?

At the end of 2023, Forest-Vill Ltd. won the public tender of MAVIR Ltd. for the design and full construction of Hungary's largest electricity storage system in Szolnok. After the contract was signed in February 2024, the company started the preparation phase of the works.

How long will the Hungarian energy project take?

After the contract was signed in February 2024, the company started the preparation phase of the works. The project will take 15 months to complete, with a delivery to be expected in the first half of 2025. The development is an important milestone not only for the company, but also for the entire Hungarian energy sector.

How met group contributes to the energy transition in Hungary?

On site at the Dunamenti Power Station in Százhalombatta, MET already

installed a 4 MW / 8 MWh demonstrator plant based on Tesla Megapack 2 batteries in 2022. With this latest BESS plant which went into operation today, MET Group and the Dunamenti Power Station are further strengthening their contribution to the energy transition in Hungary.
