# Island solar panel wholesaler

## Overview

---

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Who is inter-island solar supply?

Established in Hawaii in 1975, Inter-Island Solar Supply has grown to become a global leader in renewable energy equipment distribution. We became a 100% employee-owned company in 2013, and continue to grow and build on our foundation of innovation, expertise and resourcefulness.

Why should you buy solar panels wholesale?

Solar panels can be very different in terms of cost, and several factors impact the final price, such as wattage, brand, type of panel, warranties, etc. Whatever brand you pick, its solar panel wholesale price is lower than retail, so you end up saving a lot.

What kind of solar panels Does A1 solarstore offer?

A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need. There are three most popular types of solar panels on the market: monocrystalline, polycrystalline and thin-film.

Are REC Solar panels a good brand?

Norwegian brand REC is known primarily for its premium-class residential PV modules. However, it doesn't limit itself to this: the product line is wide enough that you can use wholesale REC solar panels for building a strong commercial system, small or large. REC products are known for high quality,

great warranties and innovations.

Are US solar panels a good choice?

However, the quality is there and the panels are sturdy and resilient. You could say that US brands are a good middle-of-the-road choice. Among the most popular USA brands of wholesale solar panels we could mention Mission Solar, Canadian Solar and Silfab. There are also a few brands that offer premium-class PV modules for home installations.
