

## Kongres Container

# Laos power generation container factory

## Overview

---

This page describes and production, consumption and export in . As of 2020, Laos had 10,021 of electricity generation capacity, 80% of which came from . 75% of the electricity generated in Laos is exported, which has earned the country the moniker of "the battery of Southeast Asia". The state-owned electricity company, , sells electricit.

How much electricity does Laos produce?

This page describes energy and electricity production, consumption and export in Laos. As of 2020, Laos had 10,021 MW of electricity generation capacity, 80% of which came from hydropower. 75% of the electricity generated in Laos is exported, which has earned the country the moniker of "the battery of Southeast Asia".

What is Lao PDR's power generation capacity?

Figure 3.2 shows Lao PDR's installed power generation capacity and available power generation capacity above 1 MW. Hydropower plants account for 94% of the installed capacity of power plants in the electricity system for domestic supply.

Does Laos have a power grid?

It even has two electricity grids, one for exporting power and one for domestic usage. Laos relies on hydropower and lignite (brown coal) for most of its power generation, making up 83% and 16% of the mix, respectively.

Are coal reserves enough to power Laos power plants?

The government claims that coal reserves adjacent to the plants are sufficient to power the plants for the entire 25-year concession period. The combustion of fossil fuels, particularly coal, is the main contributing factor to the increase in carbon dioxide (CO<sub>2</sub>) emissions in Laos.

Is renewable power gaining traction in Laos?

Renewable power generation is slowly gaining traction in the Lao People's

Democratic Republic (Laos). However, the country of only 8 million people doesn't receive as much attention as its larger and more powerful fellow Association of Southeast Asian Nations (ASEAN) members, particularly Indonesia, Thailand, Vietnam and the Philippines.
