Overview

Here are some options for lithium battery inverters available in South Sudan:

- Jemma Solar Investment:** They offer a range of solar products including lithium batteries and hybrid inverters suitable for solar energy systems.
- Lithium-Ion Batteries:** Various reputable brands of lithium-ion batteries are available in South Sudan, known for their efficiency and longevity.
- SustainSolar:** They have installed an off-grid solar-battery-hybrid power system in South Sudan, which includes SMA solar and battery inverters.
- Kweli Energy:** They provide a 900Wp hybrid solar system featuring a 5kWh LiFePo4 (Lithium) battery and a 2kVA inverter, ideal for reliable solar energy supply.

These options can help you find suitable lithium battery inverters for your needs in South Sudan.
