

Kongres Container

Morocco high quality container wholesale

Overview

What is the cheapest container shipping to Morocco?

These are examples of the cheapest rates for shipping a 20 foot container to Morocco's ports in FCL (Full Container Load) or LCL (Less than a Container Load) shipment. iContainers offers ocean freight transport to Morocco from the United States in 3 ports and from Spain in 3 ports.

Can I load an empty container in Morocco?

If the shipment is personal, the empty container can get loaded at your door as long as the city allows such. The pre-clearance for the container is available in Morocco so to avoid the demurrage or port storage fee then consignee can start the customs process after the departure of the container from the US.

What is Morocco known for?

Morocco or Maghreb is the country in North Africa and the most Westerly in the Continent. It is the only African country along with France and Spain to have access to both the Atlantic Ocean and the Mediterranean Sea. Casablanca is the capital and the largest seaport of the country.

How do I ship to Morocco from the US?

For shipments to Morocco from the US via Air, we will need the origin of the shipment along with volume, type, commodity, and weight of the cargo. In addition to air freight service, we also offer door to door shipments for small boxes and express shipments at an affordable price.

Can I import a car to Morocco?

As per regulation; it's okay to import one car at a lower duty rate, however, those charges will be higher for the second car. You can visit Morocco Customs or Douane's Website and find all the information and forms related to the import of cars. Another type of Cargo Shipping to Morocco is subject to approval.
