

## Kongres Container

# Nigeria high-quality energy storage project

 *easy to install and use*

 *World wide Products*

 *faster charging and discharging*

 *Multiple protection with alarm systems*

**Can save energy**

*the battery capacity can be increased freely and flexibly according to the situation of home use.*

*Rechargeable lithium batteries use safe LiFePO<sub>4</sub>*

## Overview

---

The African Development Bank (AfDB) has approved a \$1.2 million grant to support the development of a battery energy storage system (BESS) in Nigeria, a move seen as critical to stabilising the nation's power grid and accelerating renewable energy integration.
