Portable DC Power Supply Wholesale

Overview

What is a DC power supply?

The DC power supplies offer constant voltage (CV), constant current (CC), preset, and remote control modes. These save up to three different presets of voltage and current values for quick recall. A remote sensing terminal (model 1900B only) is also available to compensate for long output line losses.

Where can I buy a 100kW DC power supply?

You can buy 100kw DC power supplies at Alibaba.com. They offer multiple varieties of powerful, robust, and efficient 100kw DC power supplies for all types of residential and commercial uses.
