Price of household solar integrated machine in Cambodia

Overview

Based on the customer's actual needs and the roof pictures and design drawings provided, we customized 12kw home solar system for him. This system can not only meet customers' power needs, but also effectively utilize solar energy to save customers electricity bills.

Based on the customer's actual needs and the roof pictures and design drawings provided, we customized 12kw home solar system for him. This system can not only meet customers' power needs, but also effectively utilize solar energy to save customers electricity bills.

The customer is located in Cambodia, an area rich in sunshine resources. Customers want to reduce their electricity bills through solar energy systems. The main loads are air conditioners and daily household appliances. Therefore, he specifically requested battery backup to ensure that when solar.

Since 2008, EcoSun (Cambodia) Co., Ltd has been providing Cambodian households with a comprehensive range of solar-powered appliances and solar solutions. From energy-efficient appliances to sustainable solar and hybrid systems, we provide solar energy solutions tailored to meet any energy needs.

Let's face it: Cambodia's solar panel price remains 20-30% higher than in neighboring Vietnam or Thailand. But why?

Well, three factors dominate: import dependence, fragmented supply chains, and limited financing options. Over 80% of photovoltaic systems here rely on Chinese or European imports.

Can anyone enlighten us on home solar systems in Cambodia?

what are the Gov regulations?

cost of say a 5kW system?

cost of battery say 5kWh?

installation cost in PP?

any Gov subsidy?

who sells in PP?

who installs?

<9% of Cam energy gained from solar (2022). It seems a missed opportunity not to.

List of top verified Solar Energy Companies in Cambodia, near me. Last updated Nov 2025 We found 28 listings in Cambodia No. 92A, St. 432, Sangkat Toul Tum Pong II, Khan Chamkar Morn, 12311, Phnom Penh, Cambodia N. 63BC, Street 9512304, Phnom Penh, Cambodia No. 20B, St. 199, 12306, Phnom Penh.

Protect controller from thunderstorm& surge protection, protect the solar electricity from flowing one panel to another panel. max open circuit voltage is 500V High efficiency transformer,conversion efficiency up to 90%,LCD display. City power charger and generator charger. 60A96V MPPT controller.
