# Taipei Commercial Energy Storage Battery

## Overview

---

Where is a battery energy storage system located in Taiwan?

Image: Fluence. System integrator Fluence has supplied a 60MW/80MWh battery energy storage system (BESS) in Taiwan, which has started commercial operations. State-owned utility Taiwan Power Company (Taipower) deployed the project, and is located at the Taoyuan Longtan ultra-high voltage substation.

What is the future of energy storage in Taiwan?

Therefore, Taiwan will focus on developing FTM storage, followed by BTM-C&I. InfoLink projects that FTM storage will make up 90% of the energy storage deployment in Taiwan, with solar-plus-storage applications reaching 50%. In terms of economic scale, energy storage market is expected to surpass NTD 10 billion by 2023 and NTD 20 billion by 2026.

Which energy storage technology providers are active in Taiwan?

Several energy storage technology providers, such as Fluence, flow battery manufacturer Invinity and NHOA, are active in the market. It is worth noting that the Taiwan energy storage market is set to become a focus for Billion Electric with plans to develop 1.2GWh local battery system production capacity.

Is a 60mw/80mwh battery energy storage system available in Taiwan?

A 60MW/80MWh battery energy storage system (BESS) in Taiwan, supplied by system integrator Fluence, has gone online.

How many MW of battery-based energy storage will Taiwan have by 2025?

Taiwan aims to accumulate a total of 590 MW of battery-based energy storage by 2025, with a target of 160 MW managed and procured by state-owned Taiwan Power Company (TPC), and 430MW to be developed via private-sector, independently operated storage facilities.

Can businesses use energy storage in Taiwan?

However, Taiwan does not provide a favorable condition for businesses to utilize energy storage for now. Other international regulations include RE 100 and ESG. Other drivers include the lowered threshold of 800 kW under the “major electricity consumer clause,” islets, and charging stations.
