

Kongres Container

Trinidad and Tobago container energy storage cabinet

Overview

Where can I buy a container in Trinidad & Tobago?

Containers for hire and sale in Trinidad and Tobago: new and used 10ft, 20ft and 40 ft storage and shipping containers are available from our local and international depot network.

What is containerized energy storage?

ABB's containerized energy storage solution is a complete, self-contained battery solution for a large-scale marine energy storage. The batteries and all control, interface, and auxiliary equipment are delivered in a single shipping container for simple installation on board any vessel. How does containerized energy storage work?

.
