**Where can I buy a brand new
outdoor power supply in
Türkiye**

Overview

Who is power solar Enerji?

It provides 24/7 technical service throughout Turkey and in Europe with its offices in Germany and Holland. Also, Power Elektronik A.Ş., which is a Group company, has been active in solar EPC, engineering, consulting, project, and solar material sales since 2012 with its subsidiary Power Solar Enerji A.Ş.

Why should you choose power Elektronik R&D centre?

Power Elektronik R&D Centre has an excellent infrastructure that can perform all product and process verifications, starting from assembly up to testing of independent components. Beginning 23 years ago, Power Elektronik still continues to expand each day. Today, we serve more than 30 product groups.

Where is power Elektronik based?

In addition, Power Elektronik has branches in Holland and Germany, and continues to operate with its R&D center certification from the Ministry of Industry and business licenses from EPDK for charging stations and for manufacturing, assembly, and design of its products.
