Where can I buy outdoor power supplies in Korea

Overview

What are some of the best outdoor clothing brands in Korea?

Some of its creations include the Dual-Shade Jacket, Capri Pants, and NBC Protective Jacket. Kolon Sport is a classic Korean outdoor brand, established in 1973. Its clothes excel in a wide range of activities, including hiking, trail running, and backpacking.

Where to buy outdoor gear in China?

Other places to look are EMart and HomePlus department stores. For example, the HomePlus near Songtan has a small outdoor gear shop on the second floor with backpacks, tents, cooking gear, and even apparel. I visited another HomePlus, which did not have the same shop-within-a-shop though.

Which Korean brands are best for hiking & camping?

But there are also a number of Korean companies that specifically cater to the hiking community here. Such as K2 and Blackyak for the hiking basics; Nepa, Kovea, and Kolon for hiking/camping gear and clothes; and Discovery Expedition for more camping style clothing. All of the above brands are 'high end' brands.

Where to buy camping gear in Pyeongtaek?

In most cases, the gear tends to be fairly affordable as well, especially given exchange rates at times. A similar store, at least in the Pyeongtaek area, is a place off the beaten path called Camping Trunk. I first came across this one while on a Scout hike between Pyeongtaek City Hall and Camp Humphreys.

Where can I buy cheap hiking shoes in South Korea?

If you want to go really cheap they even sell some hiking shoes and other supplies at Namdaemun Market, outside of Hihyeon Station (남대문역) on line 4 (light blue). As residents of South Korea know well, while this country is a tech powerhouse their online banking experience leaves a lot to be desired for

most people.

Where to go camping in South Korea?

This neighborhood has a selection of the high end brands, the cheaper suppliers like The Red Face and a lot of camping supply stores. The second best option is to go to the starting points of Bukhansan National Park. This is also true for most of the national parks in South Korea and some of the more famous non-national park locations.
