

## Kongres Container

# Yaoundé solar project energy storage electricity price

## Overview

---

The solar PV project's cost of energy (COE) was \$75.43/MWh or \$0.075/kWh which is equivalent to 48.75 FCFA/kWh. This is cheaper than the electricity price of 84 FCFA/kWh for commercial users (Electricity Sector Regulatory Agency (AESEL), Citation 2012) in Cameroon.
